6. **OLD BUSINESS;**

- i.) **Recruitment process for survivors on the Coalition**

No report- Still working on this

7 i. NEW APPLICATION FOR SERVICES: Received comments from REC. To be posted on website and re-circulated to Coalition.

ii. Implementation of Moderate to Severe TBI Guidelines

TRAUMA UPDATE: Alanna reported that the trauma team had done a self evaluation of the Guideline Document

Identifies 7 recommendations to enhance

1. Medications
2. Providing adaptation material- being reviewed by P.T and O.T
3. Oral mouth-care for patients with severe injury

iii. REVIEW OF STRATEGIC PLAN; -DIRECTIONS FOR THE UPCOMING YEAR

The group discussed the value of focussing on the following 2 initiatives

- 1) Housing Initiatives
- 2) Patient Advisory Council

8. Member Updates:

Congrats to Alana on her retirement !

1. Wendy's update to be sent

Brain Basics: March 27th and 28th

Save the date June 20th

2. Pathways: not a lot to report. "Conquer ABI Walk" at Andrew H on June 3rd
Pathways continues its involvement in the Transition Project

3. TOH

Patsy provided an update on the transition project. The current focus is on the successful transition of patients in ALC beds to a community setting . One person will be starting the transition within the next month,

Through funding associated with the provincial Assess and Restore budget, the ABI team at TOH are engaged in a trial of 7 Day therapy for in patients at the Rehab Centre. Indicators included: expected decrease in length of stay , increased number of patients seen and increased patient satisfaction .

4. Vista :

Reminder that Brain Injury Awareness Day is June 13th

5. Regional Stroke Network

Strategic plan has been developed from Regional Stroke Network

One of the areas of focus is on Transition

Patient and Family Council is being developed – using some good work done at South West LHIN

Waitlist Status: –

ACTION: participants..... put in agenda

Kevin had requested we share our wait list and wait times

Next Meeting: June 1st
